# Primary Music Curriculum

## Skills Progression Framework

The aim of this document is to provide a framework for the progression of musical skills for primary pupils from Year 3 to Year 6 in order to develop increasingly high standards of musical knowledge, understanding and skill. It is intended for use by specialist Curriculum Music Teachers from Bolton Music Service and also Primary Music Coordinators and non-specialist teachers responsible for leading and delivering the Primary Music Curriculum in schools.

The plan for each year group focuses on a set of skills to be developed over the year. The skills have been divided into four key areas:

- **Singing** – Singing should be at the heart of the music curriculum and children should have regular opportunities to sing together in large and small groups and individually e.g. within the class music lesson, in assembly, at transition times etc.
- **Listening** – Listening to music is fundamental to musical understanding and helps pupils understand how music is constructed and the impact it can have on the listener. Pupils should have regular opportunities for listening and responding to music (including listening to music they have produced themselves, live music performances and carefully chosen recordings that reflect a wide range of cultures, times and places.) Such listening should then support children's composing and performing.
- **Composing** - Pupils should have opportunities to be creative and imaginative and to compose and make choices about their own music. Composition and improvisation activities allow pupils to use and develop the musicianship skills they have been taught and encourage collaborative work.
- **Musicianship & Performing** - Singing and playing a range of tuned and untuned percussion instruments should be at the heart of the music curriculum and pupils should have regular opportunities to perform musically (both *formally* e.g. a class performance for parents and *informally* e.g. for their peers within a lesson.) Pupils should be taught the fundamental musical techniques of controlling **pulse/beat, rhythm and pitch**. As well as learning by ear, children should learn to use both invented symbols (graphic notation) and standard musical notation when singing,

playing and composing. Musical notation exists to support musical learning and so learning musical notation should be done to support music-making.

These key areas should not be taught separately but in a connected way e.g. listening gives ideas for composing or understanding of pitch taught through singing. Pupils should be 'doing music' as much as possible.

The activities chosen to develop these skills will depend on the children's previous knowledge and experience and what is relevant to them. Some schools use cross-curricular learning (or 'creative curriculum') and music can be used as a vehicle to support learning in other areas. Many primary school children will also experience whole class ensemble tuition (also known as First Access or Wider Opportunities). Therefore, even though each school's curriculum will look different, it is our aim in supporting schools to secure a consistent and progressive development of skills underpinning a diverse range of musical activities and opportunities. As a result, it will be possible to identify and build on the musical progress which pupils make over time.

### **Knowledge and Vocabulary**

There is a separate BMS document 'BMS Musical Vocabulary July 2022' that supports this Skills Progression and lists the vocabulary associated with each phase (ie: Y1/2, Y3/4, Y5/6). This can be found at the end of this document.

### **Assessment**

The BMS document 'Assessment in Primary Music' supports this Skills Progression (see separate document.)

### **Resources:**

Pupils should have access to:

- Both rhythmic (untuned) and melodic (tuned) instruments in both Key Stages 1 and 2.
- A broad range of songs
- A broad range of listening repertoire

The Model Music Curriculum (DfE, March 2021) provides many examples of suggested repertoire choices and in the appendices there are suggested approaches to demonstrate the way in which musical listening, performance and composition can be linked to enable pupils to consolidate their learning. **This document was revised January 2023.**

# MUSICAL VOCABULARY

**Key vocabulary for all pupils is the inter-related dimensions of music and their meaning:**

<b>Pitch</b>	How high or low a note sounds
<b>Duration</b>	The length of the notes – long or short
<b>Dynamics</b>	The volume of the music – loud or quiet
<b>Tempo</b>	The speed of the music – fast or slow
<b>Timbre</b>	The sound quality of an instrument
<b>Texture</b>	Layers of sound
<b>Structure</b>	The musical plan – beginning, middle and end

## KEY STAGE 1 – Year 1 & 2

General	Pitch	Duration	Dynamics	Tempo	Timbre	Texture	Structure	Notation
Instrument Listen Song Sound Voice Chant Create Record Play	High Low	Beat/ Pulse Rhythm Walk Jogging Rest Thinking voice	Loud Getting louder Quiet Getting quieter Silent	Slow Getting slower Fast Getting faster	Percussion Tuned Untuned  Spiky Smooth	Together	Repeat Call/answer	Graphic symbols  Stick notation  <b>walk</b>   <b>jogging</b> Π <b>Ssh</b> z  Dot notation  

In addition, pupils should begin to name the classroom percussion instruments that they are playing e.g. Drum, Triangle, Claves, Woodblock, Chime bars, Guiro, Maracas etc

Pupils in Years 3 and 4 should continue to use Key Stage 1 vocabulary, and build upon it with:

## LOWER KEY STAGE 2 – Year 3 & 4

General	Pitch	Duration	Dynamics	Tempo	Timbre	Texture	Structure	Notation
Compose Improvise Mood Effect  Orchestra  Rehearse Perform Audience Expression  Live Recorded Traditional Style	Scale Note stave	Metre bar ostinato Stride	Piano <i>p</i> ( <i>quiet</i> ) Forte <i>f</i> ( <i>loud</i> )  Crescendo ( <i>getting louder</i> ) Decrescendo ( <i>getting quieter</i> )	Accelerando ( <i>getting faster</i> ) Rallentando ( <i>getting slower</i> )	Brass Woodwind Strings	Round Canon Part	motif Verse Chorus	Crotchet = <b>WALK</b>   Quavers = <b>JOGGING</b>   Minim = <b>STRIDE</b>  Rest = <b>SSH</b> 

In addition, as well as learning the names of the instrument families, pupils should be able to name an increasing number of musical instruments e.g.

Guitar, Piano, Ukulele, Recorder, Violin, Trumpet etc

Pupils in Years 5 and 6 should continue to use Key Stage 1 and Lower Key Stage 2 vocabulary, and build upon it with:

## UPPER KEY STAGE 2 – Year 5 & 6

General (as for LKS2)	Pitch	Duration	Dynamics	Tempo	Timbre	Texture	Structure	Notation
Compose Improvise Mood Effect  Orchestra  Rehearse Perform Audience Expression  Live Recorded Traditional Style	Pentatonic Major Minor Harmony	Running faster Ski	<i>Pp - Pianissimo (very quiet)</i>  <i>Mp - Mezzo piano (moderately quiet)</i>  <i>Ff - Fortissimo (very loud)</i>  <i>Mf – Mezzo forte (moderately loud)</i>	<i>Allegro (fast)</i> <i>Adagio (slow)</i>	Legato <i>(smooth)</i> Staccato <i>(spiky)</i>	Chord Ensemble Solo Duet  Sample	Melody Accompaniment	<b>Semi- Quaver = RUNNING QUICKLY</b>   <b>Semibreve = Ski O</b>

In addition, pupils should be able to name an increasingly wide range of musical instruments e.g. Flute, Cello, Trombone, Xylophone, Bass Guitar etc.
