Target audience	Groups of people that a product is made for.
Taste	The flavour of food.
Texture	The feel of food when eaten.

Useful Information, Diagrams and Pictures

Adapting a recipe is making a simple recipe unique by thoughtfully adding or removing ingredients.

Working to a budget is spending a certain amount of money so the final product is affordable for the people who want to buy it.

A target audience is who will enjoy the product the most. Having a target audience makes it easier to choose how the product is designed.

family

people at work

tourists

gift givers
