## Key Stage Two SAT Results

2016

This year saw the introduction of new SAT tests and assessment procedures based on a new more rigorous National Curriculum. Below is a table to show our school results and the initial results of all schools nationally as a comparison.

"Sat results should not be looked at against previous years.

They simply cannot be compared directly," Nicky Morgan, Education Minister

	% Expected or above	National % at expected or above	Average Scaled Score	% High Level of Attainment
<b>Reading</b>	77%	66%	103	17
<b>Writing</b> (Teacher Assessment)	79%	74%	-	21
<b>SPAG</b> (Spelling, punctuation and grammar)	75%	72%	102	9
<b>Maths</b>	83%	70%	103	6
<b>Combined</b> (Reading, Writing and Maths)	72%	53%	-	4

- Pupils reaching a scaled score of 100 have met the age expectation
- Pupils reaching a scaled score above 100 have exceeded the age expectation
- Pupils reaching a scaled score below 100 have not met the age expectation
- Where a dash is indicated on the table, it means that there is no data available at present for these figures
