Weekly Newsletter

FRIDAY 18TH SEPTEMBER 2026

A Message from Mr Haworth

Every Day Counts!

Attending school every day is an important part of making the most of education. Each school day gives children the opportunity to learn new skills, develop their knowledge and take part in activities that support their progress.

Regular attendance also helps students feel connected to their teachers, friends and wider school community.

Missing school can mean missing important lessons, instructions and opportunities to practise new learning. Even a few days away can make it harder to keep up with classwork. By coming to school regularly and arriving on time, children can build positive routines and feel more confident in their learning.

School is about more than just lessons. It is a place where children build friendships, develop independence, discover their interests and prepare for their future. Every day brings new opportunities to learn, participate and achieve something to be proud of.

We encourage all our children and families to make attendance a priority. Every lesson matters, every day counts, and every child has the opportunity to succeed. Let's work together to make regular attendance a positive part of school life!

Parents' Evening

We are pleased to announce that our upcoming Parents' Evening will take place on Wednesday 7th October. This is a valuable opportunity for parents and carers to meet with teachers, discuss their child's progress and celebrate their achievements.

Further information, including instructions on how to book an appointment, will be sent out next week. We encourage all parents and carers to take advantage of this opportunity to work together with school and support their child's learning and development.

Upcoming
