

SHADSWORTH JUNIOR SCHOOL

Weekly Newsletter

FRIDAY 25TH SEPTEMBER 2026

A Message from Mr Haworth

As we look ahead to another exciting year, I am delighted to see the wonderful range of school trips and educational visits we have planned for our children. From exploring places of historical and cultural interest to enjoying outdoor adventures and experiences beyond the classroom, there is so much for our children to look forward to. A particularly special highlight will be our Year 6 residential — our first residential trip in a long time. We are incredibly excited to give our Year 6 children this opportunity to spend time together, enjoy new experiences and create memories that they will treasure.

School trips play an important role in enriching children's education. They allow children to bring their learning to life, make connections between what they learn in the classroom and the wider world, and develop valuable skills such as independence, teamwork, communication and problem-solving. Residential experiences are especially valuable, as they encourage children to step outside their comfort zones, develop confidence and resilience, and learn to work together in a different setting from the classroom.

We would warmly welcome parents and carers to volunteer as helpers on our school trips throughout the year. If you would be interested in supporting us, please contact the school office.
