

A Message from Mr Haworth

Happy New Year!

Thank you for your continued support and patience following the burst pipe and subsequent flooding earlier this week. We are extremely grateful for the understanding shown as we worked quickly to re-open the school safely and smoothly.

We are pleased to share that, while there is still some disruption on site, the majority of classes have now returned to their usual rooms and routines. We are hopeful that by the end of next week the whole school will be fully back to normal.

The children have adapted brilliantly throughout this transition period. Their calmness, resilience, and positive attitudes have been a real credit to them, and we are incredibly proud of how they handled the changes.

Contractors and repair teams remain on site to complete the necessary works. Rest assured, we will continue to keep you updated and will provide footage from during the leak, throughout the repairs, and once everything is completed so you can see the progress that has taken place.

Thank you once again for your support and cooperation — it has made a genuine difference during a challenging week.

Help Available

Gas & Electric: Unity in Community can provide vouchers to help towards paying for gas and electric. To qualify you must pay for your energy through a prepayment meter and not received energy vouchers from Unity in Community within the past year. This is in response to the ongoing cost of living crisis and beneficiaries can be working, unemployed, self-employed or retired. For more information and to register, call 01482 420836, Monday to Friday, 9am – 3pm – if busy, please keep trying.

Our school works with lots of local organisations, we are pleased to share this information on behalf of: Unity in Community
