Parent Governor Vacancy

We currently have a vacancy for a Parent Governor on our school's governing board and would like to invite parents and carers to consider this rewarding opportunity.

Parent Governors play an important role in supporting the school's leadership and helping to shape its future. As a governor, you would work alongside staff, other governors and the headteacher to help ensure the school provides the best possible education for all children. Governors contribute to discussions about school improvement, policies, finances and long-term planning.

Being a governor is a valuable and fulfilling experience. It offers parents the chance to:

- Have a voice in how the school develops**
- Contribute to important decisions that benefit children**
- Gain insight into how schools are run**
- Develop new skills in areas such as teamwork, strategic thinking and leadership**
- Support the wider school community**

No previous experience is required. Training and support are available, and what matters most is a willingness to contribute, ask questions and work collaboratively.

If you are interested in becoming a Parent Governor, or would simply like to find out more about what the role involves, please contact the school office. We would be very happy to provide further information and answer any questions you may have.
