## Weekly Newsletter

FRIDAY 24TH APRIL 2026

### A Message from Mr Haworth

We kindly ask all parents and carers to take extra care when parking during school drop-off and pick-up times.

Recently, we have noticed an increasing number of vehicles stopping or parking on pavements and on corners near junctions. Parking on pavements creates significant difficulties for families using prams or pushchairs, as well as for those with mobility needs. In some cases, it forces children and parents to step into the road to pass safely, which poses a serious safety risk.

Parking on corners and across junctions also makes it much harder for children and families to cross the road safely, as visibility is reduced. In addition, it creates obstructions for drivers trying to pull out of junctions, increasing the risk of accidents.

We understand that mornings and afternoons can be busy, but we ask everyone to be mindful of how and where they park. Please:

- Avoid parking on or blocking pavements
- Do not park on corners or across junctions
- Leave enough space for prams and wheelchairs to pass safely
- Use designated parking areas wherever possible
- Allow extra time to park considerately

By working together, we can ensure a safer environment for all members of our school community.

Thank you for your continued support and cooperation.
