

<u>Year 5 Spanish overview – Language Angels</u>		
Unit 1	The Date	Days of the week, months of the year and numbers 1-31 will be introduced, revised and consolidated so, by the end of this unit, pupils will have the knowledge and skills to say the date and when their birthday is in Spanish.
Unit 2	At the Cafe	By the end of this unit, pupils will have the knowledge and skills necessary to perform a short role-play in a Spanish cafetería. This is a unit that consolidates much of the grammar covered in our Early Language teaching type (nouns, gender, determiners and plurality) so that pupils can say and write what they are ordering to eat and/or drink using a wider range of vocabulary alongside very useful transactional language.
Unit 3	Do you have a pet?	By the end of this unit pupils will have the knowledge and skills to present both orally and in written form about the pets they have and/or do not have in Spanish. They will move from 1 st person singular to 3 rd person singular verb usage so they are able to say what the pet is called and use conjunctions more confidently.
Unit 4	What is the weather?	By the end of this unit pupils will have the knowledge and skills to describe the weather and present a weather forecast in the foreign language. This enables us to link the weather vocabulary with map work, compass points and general geography. This unit improves both language and cultural knowledge.
Unit 5	My Home	By the end of this unit pupils will have the knowledge and skills to present both orally and in written form about where they live and which rooms they have and do not have in their homes in Spanish. This is a unit that focuses on recycling previously learnt grammar, using it with new vocabulary, conjunctions and grammar, demonstrating a growing ability to create independent responses.

Spanish should be taught regularly- 30-40 min sessions weekly.

Units can be spread across the year however class teachers see fit.
